Open Floor –

I didn't know where to put this so here goes. We lost a true friend this last month and it took some wind out of our wings. Darlene Bittner was a true Parrothead with a Purpose...we will all truly miss her. The only good things we can take from this is that we had her for a while, we will always treasure the memories and she's with her "Rabbit". The next time you have a quiet moment to yourself – raise a glass. Sail on Darlene.

Our annual Our Clubhouse Thanksgiving volunteer activity needs a new captain...no one can truly replace all that Darlene did but we will do our best to make her proud. Please reach out (to Missy, mdfereday@yahoo.com) if you are interested in joining the crew to make this happen.
