

STEEL CITY FINS

What happens when you forget to sign in? You end up on the front page!

Parrot Heads - a group of individuals that come together for fun time while supporting a good cause. Kudos to George and Barb Campbell for a wonderful fundraiser they held at their home on Sunday April 28 in support of Tree of Life. Kudos to those who have given even just a little to help support Tom Watt in his recovery, from the stroke he had. May's 50/50 went to The Watts and will be presented in a form of a gas card.

Last year it was stated there was a mishap in getting our taxes corrected. Everything is on the straight path, we are in full gear (like we ever stopped) and plugging along to provide more fun activities as well as plan a big celebration!

Get out those calendars and marked down the date of **Sunday, August 11** (1p-5p) for our Birthday/Anniversary Party at North Star Restaurant and Bar in Imperial, PA. It is a bit out of the way - but so is the best remote island! What a perfect place to celebrate **25 years!** Members in *Good Standing* (pay your dues), your day has been paid for! I know, a surprise to us. Watch your email for the EVITE invitation, your RSVP is Required. Your guests will pay \$20 per person. Go to our website to view the flyers on our website's Event Page. We will have more updates on our facebook page! Come to the June 3, meeting to learn more.

We're Still Here

With no Spring Bar Crawl, we are always looking for someone to step you and take charge of the next/new event. If you have any ideas, present it to the board! Everyone is welcome to be a planner! The next big scheduled event will be our Birthday/Anniversary party on August 11. Paradise Island on Neville Island is interested in having us come on in June. Watch your email/FaceBook and our Website for more details.
