## We're Still Here 2019 Cabin Fever 412 Food Rescue

"A big thank you to everyone who came out to Cabin Fever last weekend! To everyone that brought family, friends and neighbors, as well as to all those who put their heart and soul in to making it an unforgettable weekend", Randy announced at the Monday, February 11 club meeting.

A great time was had by all! DJ Shrimper Dan spun the tunes and Buffett Trivia Friday in to the wee hours, and got us all rolling all day and night on Saturday. If this was the first time for you hearing the *Funky Uncles* for the first time, you know what we have been talking about! Want to see more of them? You'll have another chance at the end of the month!

The Campbell clan showed their winning talents in taking both the Balcony Contest as well as the Table Contest. There was a firm "no" to John about open flames; there was no need for First Responders this year. But the big winner this year will be the charity that we poured our soul and charitable hearts into! We have preliminary numbers on a few of the 'extra activities' we had: Massages by Lisa Quinn rubbed \$150; the first ever Crock Off boiled the pot to a crisp \$160; the Photo Contest had low entries, but developed another \$30 to the pot. Judy Birch donated Corn Hole Game that was up for Raffle, tossed another \$206 towards our charity.

Thank you to Chef Bernie Berhent for his assistance on the donation of our paper products in the Hospitality Suite, as well as serving as Judge along with Sara Swaney

from 412 Food Rescue. Terri Seretti's creative stylings was spot on for another fun time at 'yard' games. Ruby and Allison, thank you so much for the Goody Bags, they were a big hit this year. Patti, the drawstring bags were the perfect added touch! Bill Logan, you never cease to amaze us with your artistic talent with the best Cabin Fever sign ever! Thank you EVERYONE!
