25th Annual Cabin Fever

Camp Raising Spirits is this year's recipient of the FINstatic funds raised this year! Thank you to everyone who donated, celebrated and helped put this annual event on! Without folks like you we could not make this possible! We want to thank the nurses that were able to make it out to our event as well as the efforts that they put forward to making Camp Raising Spirits possible for cancer patients. We will have the amount raised at the April meeting.

Please reach out to Patti Meyers if you did not list your name for a basket, participated in the Jell-O Contest or donated a service or item to Cabin Fever. Might as well start planning for next year, I think this year's theme will be tough to beat! If you are interested in being on the committee, please reach out to a board member.
