Randy – welcomed the 40+ members who joined us from their comfy spot. Making sure that everyone is healthy and doing well. Reminded the group of who we are.... we care about each other. If you need something or need help with something during this craziness, be sure to reach out. There is always someone who is willing to help!

Concert: We have no news. So, we will go with the No News is Good News. The Hotel (DoubleTree) is still excepting reservations and will be ready for us. Randy will check with the Watts about performing. It is understood with his health issues that Tom may not be there in person but, we are waiting on the rest of the band. It was asked that if the concert goes away, will we still have a Pool Party. Of course, that reflects on if the pool can be open and entertainment. We will be doing the best we can to make this a normal crazy parrot head day(s).

St Patrick's Day Parade: Our Entry Fee of \$200 was returned to us, due to the cancellation of the parade on March 14, 2020.

Cabin Fever 2021 in Beaver Falls. Currently the hotel is closed, and Randy did talk to them about dates. Right now, with staying away from Superbowl and MOTB, the weekend of February 20, 2021 looks like what we will shoot for. IF you would like to be on the committee, please reach out to a board member let them know. It is NEVER too early to start planning.

Patti – The only volunteering opportunities we are were of would be with the Food Bank and 412 Food Rescue. We are not promoting anything as of right now, but if you would like to assist Patti can help you get in touch with the right person. The Food Bank needs packers as well as the Deliver @ Home. 412 Food Rescue is looking for box packers as well.

Virtual Pub Crawl that was on Saturday, May 2, 2020 raised about \$400. Not bad for sitting at home drinking your own booze. Sure, it would be better if we were out chatting with each other! For now, this will do. The money raise was for Salivation Army, proceeds raised by going through their virtual angel link.

Kathy – Currently, as of Monday, May 18, 2020 is \$21,910.40. This money includes concert ticket money, bus seat ticket money as well as checks that have not cleared from the refund for the Musical.

Please if you have your check for the Musical, please deposit the check, we like to have our account in check at the end of every month. If you have not received your refund check please let Kathy Karelitz asap. 38 refund checks were sent out, 18 have cleared as of time of the meeting.

Finswear – if you ordered a shirt and it is paid for, but you do not have it. Please reach out to Kathy. If you would like it mailed, shipping is an additional \$7

Kim – there are a few that have not paid dues, please get them in as soon as you can. We graciously extended the cutoff date until June, due to the circumstances. 2021 the dues will be due during the first quarter. If you have any questions, please reach out to Kim

Karat – Processed the refund checks with Kathy and did the turnaround in about a week's time. Please be sure to contact us if you have not received the check yet.

We are still moving forward on reserving Bus Seats for the Buffett Concert. If you would like a seat, please reach out to Karat (SteelCityFinsBus@yahoo.com). It is \$25 per person; we **ARE collecting** money now; money will be refunded if concert is a no go. There is more than a handful of seats left and we need to fill them to keep the bus. We will have two buses this year for the concert. Confirmation and final payment will need to go to the bus company early June. We do have a Caravan List is started and if you are interested, we are only collecting contact information only at the moment. Again let Karat know at the above email if you are interested in the Caravan.

Missy – There are a few people that still owe for the concert tickets. EVEN THOUGH we are uncertain about the concert, we must be ready to turn the money in as soon as they say GO. If you have any questions, please reach out to Missy directly! If you have ordered tickets through the club, Missy will need your email address to get you connected for the CD.

Nancy Mullen – Pirate Games. She is still waiting to hear from the Pirates on what is going on. Much is based on the MLB as well as the Pirates. Fingers crossed we can get our games in this year. As soon as Nancy hears something, she will reach out to you directly.

Mike Shaw – We need another Virtual Bar Crawl!! It was great to have a local charity that allowed donations on their site. It is always great to give to the little guy!! If you have any ideas for a charity, please let a Board Member know. Mid to Late June we will look to do another crawl. Get us more in to the Yellow Phase as well as Summer!

Fred – Mentioned that there are many Trop Rock Events that have cancelled this year. BUT there are a handful that are still looking to go on! Summer Chill in Chicago, August 6-9; TropRock in the Ozarks, August 13-16; Island Fever in Iowa, September 4 – 7. You can find information on Facebook or check out www.iamtroprocker.com. As always you can ask Fred about an event.
