PLEASE watch your emails for how we will be voting.

**Cabin Fever 2021** - Is officially cancelled. A survey was emailed out to members for their input on whether to have Cabin Fever or not. There was a good number that said to have it, but the response to the no's and iffy's outweighed the yes'. Not only due to the uncertainty of COVID-19, but the financial status of many of us as well as the hospitality industry. I should also mention donations would not be expected to be received from companies. Let's take this time to help build our local economy.

- we are looking to do something late spring or summer (not close to concert time) to do a gathering and fund raising of some sort.
- if you have any ideas let the club know and better yet, if you would like to run an event, we are looking for everyone to take a step up to run with an idea.
- do a North Shore Crawl with an overnight at one of the hotels on the North Shore. We have never done this before and something different to try.

**Did you order a Mask?**

Randy will be down at Roland's on (THIS) Sunday, October 4 at 11am til about Noon, look for Randy on the sidewalk area. If you would like to reach out to Randy to make other arrangements, that is not a problem. But this will be a pick up day.

**Our Club (Thanksgiving Dinner)**

There will be no dinner this year. The group has reached out to Nellie Spencer on other ideas and wanted to know if the SFC would be interested in helping. We do not have details as of yet and are not sure what they are looking for. We will notify members once we have details.

### **Salvation Army - Christmas Family**

We are in discussions about how we can support the families this year. Might be with gift cards. Stay posted Missy Fereday will update us.

### **Treasurer's Report - Kathy Karelitz**

Balance is \$7476 presently. There is an addition \$4900 in concert ticket money, for concert tickets from this year's cancelled show that will flow over to 2021.

We have donated \$4700 to Camp Raising Spirits from the 2020 Cabin Fever Event. We paid \$462.81 for the masks ordered (in multiples of 12). There should be some masks extra, as well as the blemished ones.

### **Dues**

You can still submit your dues for this year. Please keep in mind the 2021 Dues will be collected from January - March 2021. It is our members that help us help others. We hope that the members that are still outstanding with dues, will consider paying dues soon or will rejoin at the beginning of the year.

Happy Birthday to the August and September Birthdays!
