

## **Steel City Fins Meeting notes – November 5, 2018**

Well, my dear friends, I sit here writing the club meeting notes for the last time as secretary of the Steel City Fins. Who knew back in 1994 (when I was actually cutting out images, gluing them on a piece of paper and making copies of our monthly “newsletter”) that I would still be at it almost 25 years later. Much has changed ~ some for the better, some for the worse. We’ve shared laughter & tears, lost dear friends and gained new! I’ve personally given a lot...but more importantly, I’ve gotten a lot. I truly value and appreciate the great friends, good deeds and fun times! It’s really been a lovely cruise. Thank you!

### **Guest Speaker**

Rosaleen shared about our 2018 Salvation Army adopt-a-family. Mom of 2 has been through a lot, after living in a shelter for some time, she and her girls are finally in a home. They have the basics and would love to start their new life with a great Christmas.

Thanks to all who participated in the Fall Bar Crawl where \$1,155 was raised for our family. Additional cash, checks and gift cards were collected at the meeting. We will be shopping on Saturday, December 8th and wrapping the gifts on Sunday, December 9th at noon at Joanne and Fred Paganelli's Butterfly House, 1259 Sarver Road, Sarver, PA 16055.

Missy collected: 2 check - \$50, 1 Giant Eagle GC \$25, 7 Walmart GC's \$180, Cash \$215 + Bar Crawl \$1,155 ... That's a whopping \$1,650. I couldn't be prouder of us! Let me know if you still want to give [mdfereday@yahoo.com](mailto:mdfereday@yahoo.com)

### **Strictly business:**

Ruby, previous treasurer 2014-2017, addressed the club regarding the SCF bank account, tax filings and 501(c)7 reinstatement process. Please see Ruby's statement below.

*As previous treasurer of this club, I made a mistake and used the Clubs bank account for my own personal business. I never used any of the Clubs funds. I deposited my own money into the club's account and made withdrawals.*

*As far as the taxes go, I was not aware that the club was responsible for filing taxes. I was under the impression that the bi-annual report to P.H.I.P. was all that was required.*

*I take full responsibility for all of this and I have personally paid for the CPA that the SCF Board had to hire to reconcile the SCF bank account and file 2013-2017 tax returns. I sincerely apologize for all of this and will try to answer any questions you might have after the meeting.*

The Board will advise when new information is available, at this time the IRS has confirmed processing of all paperwork.

New Board members were announced. The following people are your 2018 Board of Directors.

Randy Sleasman – returning President
